Dear Sir / Madam,

Letter of authority

Group Five Construction (Pty) Ltd (G5) is in the process of tracing suppliers who were listed as pre-business rescue claimants that have to date not yet participated in the concurrent distributions. The majority of the unpaid claims relate to retention monies held back on projects which would ordinarily be settled on final completion of the project being achieved.

To facilitate this tracing process, please expect to be contacted by any of the following people from the G5 Accounts Payable Department:

- Nesh Singh (Manager Accounts Payable), or
- Jaqueline Molapo, or
- Luzette Greyling.

To process your unpaid claim, you will need to supply:

- A tax invoice for the value of the unpaid claim,
- Confirmation of your company's banking details, and
- Complete a "Confirmation of Concurrent Claim" form.

Further information about this exercise to trace suppliers is outlined in the monthly Status Reports issued by the Business Rescue Practitioners and found on G5's website http://www.g5.co.za/group_five_construction.php under the Business Rescue tab for Group Five Construction.

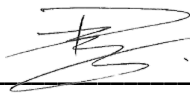

The process to validate your claim will be managed via email correspondence, and once approved, you will be notified accordingly of the expected payment date.

We suggest that you take the necessary tax and/or audit advice, as deemed necessary, as to the treatment of the transaction in your accounting records.

Yours faithfully,

AJ CLACHER
