 - 4.2. Concurrent Creditors were paid a distribution of **10 cents in the Rand** during December

Group Five Construction (Pty) Ltd (in business rescue)

2024 and a further distribution of **10 cents in the Rand** was paid during January 2025. To date, Concurrent Creditors have received fifteen Distributions **totaling 85.0 cents in the Rand** in respect of their proven Claims. This should be measured against the estimated recovery of **3.4 cents in the Rand** for Concurrent Creditors independently estimated in the alternative scenario of a liquidation of the Company.

- 4.3. Concurrent Creditors are advised that further Distributions are anticipated. The BRPs will continue to communicate with the relevant Affected Persons in this regard, as and when appropriate.
- 4.4. Concurrent Creditors, including trade creditors and sub-contractors, that have not yet received any or all of the cash distributions they believe are due to them are advised to contact Nesh Singh on email nsingh@groupfive.co.za with details of that creditor's claim so that due payments may be released. Payments will only be made to recognised and appraised Concurrent Creditors as previously notified in accordance with the business rescue proceedings of G5 and the approved business rescue plan for G5. The purpose of such contact will be to validate information including: the claim so submitted; bank details; and the identification of the submitter/claimant.

5. BUSINESS RESCUE UPDATES

- 5.1. Asset Disposals and Value Collection – A number of ongoing value collection initiatives and small asset sale processes are still underway in accordance with the Plan – proceeds in respect of which continue to be secured and collected for the benefit of Concurrent Creditors. In January, a project matter relating to Mall of Africa was settled by way of an exit agreement between WBHO Construction (Proprietary) Limited “**WBHO**” and G5C. The proceeds of R8.5m were received by the Company during January 2025.
- 5.2. Litigation and Dispute Resolution – multiple litigation and dispute resolution matters relating to the Company as previously reported to Affected Persons remain ongoing and are in the process of being resolved by the BRPs and their legal advisors. Some of these are initiated by the Company to recover value for Creditors, and the balance are matters where the Company is defending its position for the benefit of Creditors. During January 2025, the matter attempting to release certain assets from an injunction in Ghana, was heard on 25 January 2025 and was subsequently postponed.
- 5.3. Construction Projects – All construction projects that were in progress at the commencement of business rescue proceedings have now either been successfully

completed, ceded, sold as part of a business sale or terminated.

5.4. Other – Other matters still underway in relation to the business rescue process include:

- collection of amounts owing to the Company (included in 5.1 above);
- dealing with SARS related matters, including current and past VAT refund claims;
- addressing residual matters relating to remaining staff and operations;
- audit completions - the financial statements for Group Five Construction Pty Ltd have been audited up to 2021. The 2022 audit is in progress, which is being undertaken by Nolands;
- extinguishing the final guarantee still outstanding in relation to the Company (Note: The successful recovery depends on the outcome of a court case before the Supreme Court of Appeal expected to take place in the 2nd half of 2025);
- winding down numerous group companies in conjunction with Group Five Limited. At the commencement of Business Rescue, there were 179 companies in the group (85 international, 94 local). Currently, 68 companies remain (36 international, 32 local). During the quarter ended December 2024 a total of 5 companies were either deregistered or disposed of. The deregistration or liquidation of the remaining companies is dependent on the completion of audits, tax compliance being brought up to date, the conclusion of the disposal of assets or resolution of outstanding matters, with considerable progress being having been made in this regard. The report will be updated quarterly to reflect the progress from a wind down and compliance perspective.
- closure of excess bank accounts continues and will continue until such time that the remaining bank accounts are used for central treasury functions only.
- Group company audits are underway to facilitate the above deregistration or liquidation and tax compliance processes. **SSL Structural Systems (Africa) Pty Ltd** – BDO has completed the 2019 to 2020 financial year audit work, approval is awaited from BDO to proceed with signature. The 2021 to 2023 independent review work has been completed and once the 2019 to 2020 financial statements are finalised, those would also be finalised.
- Outstanding tax returns in respect of group companies are being submitted as audits are completed.
- dealing with matters as required in respect of the inter-related Group Five Limited business rescue process.

during the wind-down stages of the Company's rescue, the Company had resolved, in conjunction with the current BRP's, to appoint Joshua Cunliffe and Ashleigh Cohen as junior BRPs for the remainder of the Company's business rescue proceedings.

6.2. The board resolution to this effect was taken on 31 October 2024. The appointments were filed manually with the Companies and Intellectual Property Commission ("CIPC") also on 31 October 2024. CIPC's confirmation of the appointments has still not been received.

6.3. To date we have not had a satisfactory response from CIPC as to why the appointments were not approved. In the meantime, however, Joshua Cunliffe and Ashleigh Cohen have become unavailable to be appointed due to them taking on alternative roles, and thus the BRPs have elected to suspend this initiative for the time being.
