BUSINESS RESCUE STATUS UPDATE REPORT FOR GROUP FIVE LIMITED (IN BUSINESS RESCUE) ("COMPANY")

1. In accordance with section 132(3)(a) and section 132(3)(b) of the Companies Act 71 of 2008, as amended when the business rescue proceedings of a company have not concluded within 3 months of the date on which they started, the business rescue practitioners ("**BRPs**") are required to –
 - 1.1. prepare a report on the progress of the business rescue proceedings and update it at the end of each subsequent month until the end of the business rescue proceedings; and
 - 1.2. deliver the report and each update to each Affected Person and to the Companies and Intellectual Property Commission ("**CIPC**")
2. Accordingly, we, the BRPs, hereby provide you with the status update report of the Company's business rescue proceedings for May2025.
3. Capitalised words not otherwise defined in this report shall have the meaning ascribed to them in the approved Business Rescue Plan for the Company as published on 30 August 2019 ("**the Plan**").
4. General

Other than those matters relating to the interlinked business rescue proceedings of Group Five Construction (Pty) Limited ("**G5C**"), which matters are set out in the separate G5C monthly report, the BRPs confirm that there were no material business rescue matters specific to Group Five Limited to report on in the month of May2025. Affected Persons are, however, reminded below of the continued matters underway with respect to the business rescue proceedings of the Company, and currently ongoing in accordance with the BRPs implementation of the approved and adopted Plan.

The BRP's have begun to take the necessary steps for the business rescue processes for both the Company and G5C to be terminated during the coming months.

4.1. Ongoing Business Rescue Processes – The primary processes still underway relating to the rescue process relate to: winding down numerous Group Five group companies; group audit completions; resolving group SARS matters; ongoing dispute resolutions; winding down the Everite shell group of companies (Armitage Shanks (South Africa) Pty Ltd and Everite Pipes Pty Ltd are now in liquidation) and dealing with matters as required in respect of the inter-related Group Five Construction business rescue process. All of these processes and procedures remain ongoing and in accordance with the Plan.

- At the commencement of Business Rescue, there were 179 companies in the group (85 international, 94 local). Currently, 62 companies remain (32 international, 30 local). During the quarter ended March 2025, a further 2 companies were deregistered. The deregistration or liquidation of the remaining companies is dependent on the completion of audits, tax compliance being brought up to date, the conclusion of the disposal of assets or resolution of outstanding matters, with considerable progress being made in this regard. Currently 16 entities have been submitted for deregistration or liquidation. The report will be **updated quarterly** to reflect the progress from a wind down and compliance perspective. The next such update will be for the June quarter.
- Numerous group company audits are underway to facilitate the above deregistration or liquidation and tax compliance processes. **SSL Structural Systems (Africa) Pty Ltd** – BDO has completed the 2019 to 2020 financial year audit work, approval is awaited from BDO to proceed with signature. The 2021 to F2023 independent review work has been completed and once the 2019 to 2020 financial statements are finalised, those would be finalised. In April and May, a total of 14 audits were completed relating to the Group's international subsidiaries. The Group can now commence with the deregistration or liquidation processes, as appropriate.

4.2. Group Five Construction (Pty) Ltd Business Rescue Proceedings - The legally separate (but interlinked) business rescue process of Group Five Construction is ongoing and is being implemented in accordance with its approved and adopted business rescue plan. Several ongoing value collection initiatives and asset sale processes are still underway in accordance with the Plan – proceeds in respect of which continue to be secured and collected for the benefit of Affected Persons.

5. If Affected Persons have any queries or concerns with regard to the business rescue proceedings of the Company, they may be directed to the business rescue team on: G5LtdBR@groupfive.com.
